

Officer Involved Shooting
Capitol Hill
Tuesday, April 25, 2006
Timeline
(Released 4/26/2006)

Seattle Police officers responded to an emergency call yesterday evening between Broadway E. and E. John Street, where a caller had reported that a man was standing at a bus stop and had a pistol in the back waistband of his pants. **Within a total of 2-minutes, officers quickly contained the scene and secured the general public from harms way.** After unsuccessful attempts in ordering the suspect to drop his weapon, Seattle Police officers were left with no other option – than to use deadly force. The suspect died at the scene. Below are the key times and details of the shooting.

- @ 2017 hrs.
 - 911 call is received and first unit is dispatched.
 - Caller reports a man is standing at a bus stop and has a pistol in the back waistband of pants.
 - Within 30 seconds, officers arrive at the scene.
 - Witness warns and confirms to officers arriving at the scene that man does have a gun and stated he would shoot officers.

- @ 2019 hrs.
 - Within 2 minutes, gunshots are fired.
 - Officers fire shots at suspect.
 - Suspect falls to ground on back and with gun still gripped in his hand, holding the gun across his chest.
 - Movement of suspect's hand is still visible.
 - Within 10 feet away, officers carefully observe suspect to determine any continuing danger.
 - After a few seconds later, officers conclude suspect was likely incapacitated.
 - They quickly approached the suspect, took the gun from his hand and slid it far away and out of reach from the suspect.

- @ 2024 hrs.
 - Seattle Fire Medics are cleared to enter the scene.
 - Medics render aid to suspect.
 - Suspect is pronounced dead at scene.
